AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Office Action mailed September 18, 2002, applicant respectfully requests that the above-identified application be amended as indicated below. A petition and fee for a one month extension of time is enclosed.

IN THE CLAIMS

Please rewrite Claims 1, 20 and 41 as indicated below. A marked-up version of the rewritten Claims 1, 20 and 41, showing all of the changes relative to the previous version of these claims, is attached hereto.

Sub
H-B
1. (Amended) A device for receiving and playing a multimedia file from a multimedia server over a wireless telecommunications network, comprising:

a microprocessor for controlling the operation of the device;

a transceiver operatively connected to the microprocessor for receiving successive blocks of data from the streamed multimedia file over the wireless telecommunication network;
